

The Honorable Kymberly K. Evanson

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE**

JAMON RIVIERA, et al.,

Plaintiffs,

v.

KJELL ANDERSON, et al.,

Defendants.

NO. 2:24-cv-00677-KKE

STIPULATED MOTION AND
[PROPOSED] ORDER EXTENDING
DEADLINES

NOTE ON MOTION CALENDAR:
June 11, 2024

STIPULATION

1. The parties communicated about timing of Defendants' response to the complaint.
2. If Defendants respond to Plaintiffs' complaint with a motion under Rule 12(b), it will benefit the parties and the Court for the parties to have a full opportunity to brief the issues. Due in large part to summer plans and workload concerns, a schedule other than that allowed by the Local Rules would be in the interest of justice.
3. The parties further agreed to request extension of the Court's initial scheduling dates. Good cause exists for this request, because the parties' Rule 26(f) conference will be more productive after receiving a decision on any motion response to the Complaint, and the parties hereby stipulate to the following:
 4. The parties propose the following deadlines:
 - Defendants will respond to Plaintiffs' complaint no later than July 10, 2024.

- Plaintiffs will respond to any motion to dismiss no later than August 16, 2024.
- Plaintiffs may amend their complaint as a matter of course under Rule 15(a), on or before August 16, 2024.
- Defendants will file any reply in support of a motion to dismiss no later than August 30, 2024.

5. The parties propose the following schedule for initial scheduling dates:

- Deadline for Rule 26(f) Conference: 14 days after this Court enters an order on a motion to dismiss, or, if no motion is filed, 14 days after Defendants answer.
- Deadline for initial disclosures pursuant to Rule 26(a)(1): 24 days after this Court enters an order on a motion to dismiss, or, if no motion is filed, 24 days after Defendants answer.
- Deadline for Combined Joint Status Report and Discovery Plan as Required by Rule 26(f) and Local Civil Rule 26(f): 30 days after this Court enters an order on a motion to dismiss, or, if no motion is filed, 30 days after Defendants answer.

6. The parties preserve their ability to amend the schedule as of right, pursuant to the Federal Rules of Civil Procedure and the Local Rules. The parties commit to meet and confer about reasonable revisions to the schedule, should that occur.

DATED this 11th day of June 2024.
